

## WEEK 2: SURPRISED BY HOPE

Is there a hope that lasts, even in difficult times?

### Key Bible Passage – Luke 24:13–27

“Jesus came up and walked along with them; but they were kept from recognising him.”

#### Reflection

What do you hope for most in life right now?

How do disappointment or loss affect hope?

What do you think happens after death?

#### Engaging with the Story

Why do you think the disciples didn't recognise Jesus?

How did Jesus bring hope back to them?

Where might you be missing God at work in your life?

#### Personal Response

What would it mean if Jesus really walks alongside you?

Would you be open to exploring that further?

#### Journaling Prayer

Jesus, You are alive and you walk with me, even when I don't recognise you.

Thank you that your resurrection brings real hope—hope that speaks into my fears, my disappointments, and my questions about the future.

Help me to see where you are at work in my life, and to trust that you are leading me, even in uncertainty.

Amen
