

Week beginning November 9th

Don't be shaken

Opening Questions

- What is the most difficult question you have ever been asked? How did you respond?
- If you could ask Jesus one question, what would you like to ask?

Getting into the text

Read Luke 20:27-38

- What do you think were the Sadducees motives when they questioned Jesus about the resurrection?
- Jesus responded to their question by explaining how resurrected lives would be different from the present ones. What are the differences?
- Why do you think people were afraid to ask him any more questions?

Applying the Bible to your life

- How do you think that knowing there is life after death should influence the way you live your life now?
- How can you show others your life-giving faith in your everyday life?
- How can you become more confident in answering questions about your faith?

Something to pray about

Paul wrote, **'May our Lord Jesus Christ himself and God our Father, who loved us and by his grace gave us eternal encouragement and good hope, encourage your hearts and strengthen you in every good deed and word.'** (2 Thessalonians 2:16-17)

- Offer to God any situations in your personal life where you are struggling with questions or doubts and ask him to show you the way forward.
- Ask God to help you to show others his life- giving love as you go about your daily life this week.
- Pray for political leaders across the world asking God to help them to debate issues with honesty and integrity.
